## MOTION 2

### MOTION 2 JACKET

The Jitsie Motion 2 jacket is the ultimate lightweight jacket for trials, utilising a soft and flexible outer shell featuring water-repellent and breathable fabrics for optimal riding comfort in even the worst weather conditions.

The super light quality zippers are an absolute must for any trials rider to easily reach and put away the scorecard. With plenty of storage pockets there is no problem to take all the essentials with you while riding. To increase ventilation throughout the jacket, we installed multiple air vents in strategic spot to ensure maximum coolness. Of course, with the zip-off sleeves that can be easily stored in the back pockets, the choice is all yours!
